

## Farmer Environmental Group Selected as TASB Preferred Provider

Carrollton, TX – 20 December 2019 — Farmer Environmental Group, LLC, a Carrollton-based environmental services firm, has been selected as a Preferred Provider with the Texas Association of School Boards (TASB) Facility Services. The TASB Facility Services is the division of TASB that works to improve school facilities across Texas through tailored, comprehensive programs. As a TASB Preferred Provider, Farmer Environmental Group will work with TASB to provide a wide array of environmental services and training tailored to meet the needs of Texas school districts, municipalities, and colleges.

“Farmer Environmental Group is honored to be named a Preferred Provider with TASB,” said Craig Farmer. “TASB’s commitment to improving school facilities across Texas aligns with our commitment to creating safe and healthy environments for all our clients.”

Since 1994, Farmer Environmental Group has grown from a single office in Dallas-Fort Worth to five branch offices across Texas and seven branch offices throughout the United States. Farmer Environmental Group has grown due to the strong understanding they develop of their clients’ expectations, which helps them to build trust with new and existing businesses. We take pride in the confidence that valued clients have in the Farmer’s team to not waiver on regulatory issues. As we grow, we strive to ensure that we can provide timely, professional, and valued services to our clients.

“The rewards of the Environmental Consulting industry are knowing that we are making a difference with our clients,” said Craig Farmer, CEO of Farmer Environmental, LLC.

### About TASB

*TASB ([www.tasb.org](http://www.tasb.org)) is a nonprofit association established in 1949 to serve local public school boards. School board members are the largest group of publicly elected officials in the state. The districts they represent serve more than 5.4 million students.*
